All ads are due no later than January 31, 2012

Dear Parents,

We are excited to announce some new options for the fifth grade yearbook dedications this year. You can keep it simple or personalize your dedication with photographs or icons.

On the back side of this paper are some examples of what is being offered. If you chose options D or E, all pictures must be submitted in a digital format. The Yearbook staff will not accept printed pictures. If you choose option E and decide to create it yourself, the document must be at least 300 dpi and in acceptable digital format. Acceptable digital formats include: jpg, gif, png, eps, tiff. Send all entries to the.whitesTT@gmail.com.
